

## BEST DEFENCE

Defender MaxGuard is a highly effective, next-generation insecticide with low toxicity levels, making it safer for mammals and beneficial insects such as honey bees. For more information, call 1800 804 219 or visit: [www.scottsaustralia.com.au](http://www.scottsaustralia.com.au)

# In Demand

This month's must-have products...

## TIME FOR TEA

Sourced from sustainable farms, drinking Lipton Quality black tea is one way Australians can really make a difference. Look for the Rainforest Alliance Certified™ seal on packs today. Lipton Quality black tea offers the same great taste benefits whilst having a positive effect on the environment and the livelihoods of tea farmers and their families. visit: [liptonforthefuture.com](http://liptonforthefuture.com)

## LIQUID GOLD

Lupi Extra Virgin Olive Oil has an intense fruity flavour and is ideal for use in Mediterranean-style recipes and salads where a full flavour is desired. Available in 200ml pump spray, 500ml or 1-litre bottle, and a 3-litre tin. Available through Australian supermarket groups including Woolworths, Coles, Franklins, IGA, Foodland, Foodworks, Spar and 5 Star. The range available may differ between retailers. For more information, call 1800 639 554.

## IS YOUR CAT FUSSY?

Exigent dry cat food contains a balance of active nutrients and two types of kibble that work together to satisfy the appetite of even the most fussiest cat. For your closest Royal Canin retailer, visit: [www.royalcanin.com.au](http://www.royalcanin.com.au)

## CLEAN AND CLEAR

Clean your pool in style and be the envy of your neighbours with a sleek and sporty Zodiac 3900 Sport automatic pool cleaner. For more information, visit: [zodiac.com.au](http://zodiac.com.au)

## WONDER WORKER

Maintaining a dark, moist environment, Tumbleweed worm blankets offer a fantastic way for you to make your worms more productive. Simply place the blanket over food scraps in the top working tray of your Worm Café, Can-O-Worms or Worm Factory and watch your worms come alive. Available from all good retailers. Visit: [tumbleweed.com.au](http://tumbleweed.com.au)

## TERMITES GO HUNGRY!

AliWood is aluminium made to resemble real wood. Ultraviolet light and salt water will not harm it, and it will not warp or bleed. Painting of its surface is not required, making it basically maintenance-free! For more information, visit: [aliwood.com.au](http://aliwood.com.au)
